

FOSTERING FILMMAKERS GRANT PROGRAM APPLICATION

Overview

The Jacksonville Fostering Filmmakers Grant Program seeks to foster independent filmmaking in Jacksonville by assisting local filmmakers with partial funding of locally produced motion pictures whose goal is wider distribution via theatrical, streaming services and/or film festivals.

Duval County-based filmmakers may apply for a grant to assist in producing independent motion picture projects, with eligibility based on a set of Duval County-centric criteria, listed in the Program Requirements below. Eligible grantees shall receive a grant of \$10,000, to be distributed in two (2) payments of 50% each, with the first payment due upon completion of production and the second payment due upon completion of the editorial cut.

Grants are subject to availability of funds annually.

Grants will only be disbursed after meeting all required criteria.

Applicants may only be awarded a grant once per three (3) calendar year period and no more than three (3) grants in their lifetime.

This Program may award up to three (3) \$10,000 grants annually based on scoring criteria. There will be a 2-month window for application submissions. **SUBMISSION DEADLINE is August 12, 2024.**

Grant applications will be reviewed and evaluated after the submission deadline, August 12, 2024. Thus the production can't start principal photography until the application has been approved.
